I. INTRODUCTION

Pursuant to Rule 11.1(e) of the California Public Utilities Commission's (Commission) Rules of Practice and Procedure (Rules), the Public Advocates Office at the California Public Utilities Commission (Cal Advocates) submits the following response to Southern California Gas Company's (SoCalGas) *Motion to Strike Sierra Club's Reply to Responses to Motion to Deny Party Status to Californians for Balanced Energy Solutions or, in the Alternative to Grant Motion to Compel Discovery* filed on June 19, 2019 (Motion to Strike).

The Public Advocates Office requests that the Commission:

- Deny SoCalGas' Motion to Strike Sierra's Club's Reply;
- Find that SoCalGas has violated Rule 1.1; and
- Conduct further investigations to determine if SoCalGas' use of ratepayer funds to support Californians for Balanced Energy Solutions (C4BES) is lawful

II. DISCUSSION

On May 14, 2019, Sierra Club filed a motion to deny party status to C4BES, or in the alternative to grant its motion to compel discovery. On May 23, 2019 the Public Advocates Office issued a data request to SoCalGas regarding its involvement with C4BES. SoCalGas' response to the Public Advocates Office's data request,¹ provides evidence that SoCalGas has been using ratepayer money to found and fund C4BES.

A. The Commission Should Deny SoCalGas' Motion to Strike

SoCalGas requests that the Commission strike certain statements in Sierra Club's reply pursuant to Rules 1.8(f) or 11.1(f).² While SoCalGas alleges that the statements made by Sierra Club and identified in its Motion to Strike are false, improper, and

¹ SoCalGas Response_CALPA_SCG_051719. Refer to Attachment 1 of this document.

² Motion to Strike at pp. 11-12.

irrelevant,³ SoCalGas does not provide any evidence to support its allegations. Instead, in its Motion to Strike SoCalGas merely states “Sierra Club’s Reply is predicated on a series of suppositions and speculation that, at best, are the result of a wild imagination and, at worst, are intentional fabrications and misstatements.”⁴ However, these claims are directly contradicted by SoCalGas’ response to the Public Advocates Offices DR SCG051719.

Rule 1.8(b) requires, in part, that the signer attest that the document is tendered based on the signer’s best knowledge, information, and belief, formed after reasonable inquiry, that the facts are true as stated; and that the document is not tendered for any improper purpose. However, SoCalGas’ response to the Public Advocates Office’s discovery show not only that Sierra Club’s allegations regarding SoCalGas’ use of ratepayer funding to found and support C4BES are truthful, but also that SoCalGas knew or reasonably should have known this when it filed.

SoCalGas’ Motion to Strike should be denied because Sierra Club’s claims are consistent with and verified by SoCalGas’ response to the Public Advocates Offices data requests. Indeed, in light of its responses to DR SCG051719, SoCalGas cannot claim that its Motion to Strike was based on a belief formed after reasonable inquiry, as required by Rule 1.8(b). Indeed, because its Motion to Strike makes claims that are contradicted by its data request responses, consistent with Rule 1.1, the Commission should consider sanctioning SoCalGas and its attorney of record for filing false statements and misleading the Commission..

B. SoCalGas Violated Rule 1.1

Pursuant to Rule 1.1:

Any person who signs a pleading or brief, enters an appearance, offers testimony at a hearing, or transacts business with the Commission, by such act represents that he or she is authorized to do so and agrees to comply with the laws of this State; to maintain the respect due to the

³ Motion to Strike at pp. 5-14.

⁴ Motion to Strike at p. 1.

From the period between [REDACTED] [REDACTED] invoiced about [REDACTED] to SoCalGas. SoCalGas' data request response, makes clear that part of these funds was used to implement tasks in support of C4BES.¹⁵ The Public Advocates Office estimates that at least [REDACTED] were charged to ratepayers ([REDACTED]).¹⁶ In addition, [REDACTED] invoices included [REDACTED] [REDACTED]. The Public Advocates Office estimates that at least [REDACTED] of the latter expenses are charged to ratepayers.¹⁷ Thus, for the period between [REDACTED], SoCalGas charged at least [REDACTED] to ratepayers for work performed by [REDACTED] for or on behalf of C4BES.

to C4BES. See Public Advocates Office-SCG051719, Question 4.

Furthermore, SoCalGas added the additional contract amounts and the scopes of work in the second and third amendments in late 2018, which is the same period when C4BES was formalized as an organization and began to develop its organization infrastructure. See *C4BES Response to Sierra Club's Motion to Deny Party Status to C4BES or, in the alternative, to grant motion to compel discovery*, pp.6-7.

¹⁵ Response of SoCalGas to question 4 a. of the Public Advocates Office data request, "Response 4A_Confidential Information."

¹⁶ Note that SoCalGas did not provide invoices covering the period from March 2018 to July 2018. Pending further discovery, The Public Advocates Office assumed the following:

- The increase of the [REDACTED] from [REDACTED] to [REDACTED] based on the second amendment to the agreement, is attributed to work done in support of or on behalf of C4BES (total of [REDACTED] covering the period between [REDACTED]);
- The Public Advocates Office assumed that the increase of the [REDACTED] from [REDACTED] [REDACTED] based on the third amendment, is attributed to work done in support of or on behalf of C4BES (total of [REDACTED] covering the period between [REDACTED]);
- Fifty percent of the total amount of the monthly [REDACTED] for the period between [REDACTED] is charged to ratepayers, which is [REDACTED];
- Fifty percent of the total amount of the additional monthly [REDACTED] pertaining to [REDACTED] [REDACTED] for the period between [REDACTED] is charged to ratepayers, which is [REDACTED]; and
- Estimate of total amount in [REDACTED] charged to ratepayers for the period between [REDACTED] [REDACTED].

¹⁷ For the period between [REDACTED], SoCalGas charged 50% of [REDACTED] or [REDACTED] to ratepayers, part of these funds was used in to implement tasks in support of C4BES. From August 1, 2018 to May 1, 2019, [REDACTED] submitted a total of [REDACTED] in expenses. Excluding [REDACTED] which may or may not have been incurred on behalf of C4BES, 99% of these costs [REDACTED] can be attributed to C4BES. If 50% of these expenses were charged to ratepayers, [REDACTED] may have been misattributed from additional expenses alone.

The terms provided in the contractual agreement between [REDACTED] and SoCalGas together with the financial information contained in the [REDACTED] invoices to SoCalGas contradict SoCalGas' claims that it did not use ratepayer funding to support the founding and launch of C4BES. SoCalGas stated that it charged fifty percent of each invoice by [REDACTED] to ratepayers.¹⁸ These invoices show that SoCalGas used a substantial portion of the ratepayer share of contract funding to implement tasks in support of C4BES. Therefore, SoCalGas is in violation of Rule 1.1 by providing false and misleading responses to the Public Advocates Office's DR SCG051719.

C. SoCalGas' use of Ratepayer Funds to Support C4BES is Inappropriate

The Commission has previously determined that a utility's use of ratepayer funding is inappropriate for activities related to political advocacy.¹⁹ SoCalGas' response to the Public Advocates Office's discovery indicates that [REDACTED], which is contracted by SoCalGas, provides lobbying services.²⁰ The Service Agreement between SoCalGas and [REDACTED] includes the following:

[REDACTED]

¹⁸ Refer to SoCalGas response to question 5 of the Public Advocates Office data request (Attachment 1).

¹⁹ See D.12-11-051 at 507– “We are persuaded by TURN that PG&E's limited exclusion of 13% of CCEEB dues for lobbying costs is too narrow, and doesn't account for the other public advocacy activities of CCEEB. We agree that ratepayers should not pay for political advocacy conducted by the CCEEB with which they may not agree. See also D.14-08-032 at p. 541 - “Our disallowance of 100% of the dues is consistent with our treatment of CTA dues in the most recent SCE GRC where we concluded that the organization is “focused on tax policy, not delivery of electrical service,” and advancing policies of tax reduction is inherently political.”

²⁰ Response of SoCalGas to question 4 a. of the Public Advocates Office data request, “Response 4A_Confidential Information.” “Response 4A_Confidential Information.” [REDACTED]

[REDACTED]
[REDACTED]

The Commission should investigate this matter further to determine the full extent to which SoCalGas used ratepayer funding to pay [REDACTED] [REDACTED] for political lobbying services or any other services that are not required for the delivery of gas services.

III. CONCLUSION

For the reasons set forth above, the Public Advocates Office requests that the Commission deny SoCalGas' Motion to Strike and adopt the recommendations stated herein.

Respectfully submitted,

Any additional or different terms and conditions proposed by Contractor after the Effective Date of this Agreement shall be of no force and effect unless expressly agreed to in writing by Company. Contractor accepts and shall be bound by the terms and conditions of this Agreement upon the earlier of (a) the Effective Date of this Agreement or (b) when it commences performance of the Services. No other form of acceptance shall be binding on Company.
 3. **CHANGE ORDERS.** Company may at any time, in writing, direct or authorize Contractor to make changes or modifications to the work within the general scope of this Agreement.  7. **INSPECTION.** All Services performed by Contractor or any Contractor Party shall be subject to the inspection and approval of Company at all times, but such right of inspection of the Services shall not relieve Contractor of responsibility for the proper performance of the Services, nor shall such inspection waive Company's right to reject the Services at a later date. Contractor shall provide Company access to the facility or facilities where the Services are being performed and sufficient, safe and proper work conditions for such inspection. Contractor shall furnish Company such information concerning its operations and/or the performance of the Services as Company may request.

In addition, per Resolution E-4874 the California Public Utilities Commission prohibits electric corporations with Community Choice Aggregator Codes of Conduct from using their contractors and consultants in a manner that circumvents such Codes of Conduct, and requires Contractor to comply with such Codes of Conduct, as applicable.
 - 10.1. **Training.** Contractor agrees that it or any Contractor Party may be required to complete training regarding the foregoing at Company's sole discretion.
 11. **CONTRACTOR.**
 - 11.1. It is agreed that Contractor is an independent business separate from Company and shall perform the Services as an independent contractor, and no principal-agent or employer-employee relationship or joint-venture partnership shall be created with Company.

If a conflict precludes Contractor from assuming the defense of such Indemnitee, then Contractor shall reimburse such Indemnitee on a monthly basis for such Indemnitee's defense costs through separate counsel of such Indemnitee's choice. If Contractor assumes the defense of such Indemnitee with acceptable counsel, such Indemnitee, at its sole option and expense, may participate in the defense with counsel of such Indemnitee's own choice without relieving Contractor of any of its obligations hereunder.

29. **CONFIDENTIALITY.** For purposes of this Agreement, the term "Confidential Information" means proprietary information concerning the business, operations and assets of Company, its direct and indirect parent company(ies), subsidiaries and/or affiliates, including the terms and conditions of this Agreement or any related agreement, information or materials prepared in connection with the performance of Services, or any related subsequent agreement, designs, drawings, specifications, techniques, models, data, documentation, source code, object code, diagrams, flow charts, research, development, processes, procedures, know-how,

manufacturing, development or marketing techniques and materials, development or marketing timetables, strategies and development plans, customer, supplier or personnel names and other information related to customers, suppliers or personnel, pricing policies and financial information, and other information of a similar nature, whether or not reduced to writing or other tangible form, and any other trade secrets. Confidential Information shall not include: (a) information known to Contractor prior to obtaining the same from Company; (b) information in the public domain at the time of disclosure by Contractor; (c) information obtained by Contractor from a third party which did not receive same, directly or indirectly, from Company; (d) information developed independently by Contractor without use of reference to the Confidential Information or (e) information approved for release by express prior written consent of an authorized officer of Company. Contractor shall have the burden of proof in establishing that its use of Company information is permitted by (a), (b), (c), (d) or (e) of this provision.

29.1. Contractor hereby agrees that it shall use the Confidential Information solely for the purpose of performing Services and not in any way detrimental to Company, its direct and indirect parent company(ies), subsidiaries and/or affiliates. Contractor shall not, and shall not permit its directors, officers or any Contractor Party to use the Confidential Information for their own benefit.

29.2. Contractor agrees to use at least the same degree of care Contractor uses with respect to its own proprietary or confidential information, which in any event shall result in a reasonable standard of care, to prevent unauthorized use or disclosure of the Confidential Information. Except as otherwise provided herein, Contractor shall keep confidential and not disclose the Confidential Information. Contractor shall cause each of its directors, officers, and Contractor Parties to become familiar with, and abide by, the terms of this Agreement.

29.3. Notwithstanding any other provisions of this Article, Contractor may disclose any of the Confidential Information in the event, but only to the extent, that, based upon reasonable advice of counsel, Contractor is required to do so by the disclosure requirements of any law, rule, regulation or any order, decree, subpoena or ruling or other similar process of any court, governmental agency or regulatory authority. Prior to making or permitting any such disclosure, Contractor shall provide Company with prompt written notice of any such requirement so that Company (with Contractor's assistance if requested by Company) may seek a protective order or other appropriate remedy.

29.4. Except in the event Contractor is required to disclose any Confidential Information in accordance with the foregoing provisions, Contractor shall not, without the prior written consent of Company, disclose to any third party the fact that such Confidential Information has been made available to Contractor.

Without limiting the generality of the foregoing or any other provision of this Agreement, Contractor shall access, collect, store, use, and disclose the Confidential Customer Information under policies, practices and notification requirements no less protective than those under which Company operates.

29.7. The parties acknowledge that the Confidential Information is valuable and unique, and that damages would be an inadequate remedy for breach of this Agreement and the obligations of Contractor are specifically enforceable. Accordingly, the parties agree that in the event of a breach or threatened breach of this Agreement by Contractor, Company, its direct and indirect parent company(ies), subsidiaries and/or affiliates, which shall be third party beneficiaries of this Agreement, shall be entitled to seek an injunction preventing such breach, without the necessity of proving damages or posting any bond.
